PASTOR'S CORNER

“WHY WE MUST LIVE IN THE PRESENT: NOT IN THE PAST, OR IN THE FUTURE!!!!!! Perpetually remembering our ugly past reminds us of our horrible mistakes and brings tears of regret that distracts and takes away our peace!!

Worrying about our future cripples us, and brings untold fear and a ghastly feeling of restlessness!! But living in the present brings peace in our lives as we pray, plan, and work hard while learning from our past mistakes and doing our best!!

God was yesterday, He is today, and will be tomorrow!! He is outside of time and controls time!! We gotta let Him be the pilot while we take our seats and buckle our seatbelts!!”

CORPUS CHRISTI. . . .

While the Lord's Body and Blood are celebrated at every Holy Mass and since the Last Supper, the more formal feast known as "Corpus Christi" has been honored since 1246, when it was instituted in the Belgian diocese of Liege. Later in the same century, the feast was added to the Roman Missal for use in the Latin Church, bringing with it many of the writings of the Dominican Saint Thomas Aquinas (1225–1274). The Divine Office (Liturgy of the Hours) and Mass of this magnificent feast used Aquinas's writings as their hymns.

The Solemnity of Corpus Christi was established in the Middle Ages with the goal of reaffirming Catholic doctrine regarding the Real Presence of the Risen Christ in the consecrated bread and wine during Mass. The Blessed Sacrament, which was housed in a complex monstrance, was taken to "altars of repose" during processions staged in conjunction with the feast so that the devout could adore it and receive a blessing from it.

The Eucharist and the Real Presence of Christ in it are the focal points of every Mass. The Body of Christ as it is present in the Church is the feast's secondary theme. Jesus' close relationship with his disciples is the reason the Church is known as the Body of Christ. In the gospels, He uses the image of a body, of which He is the head, to explain this. This image aids in highlighting the Church's variety and unity.

For Catholic theology, spirituality, and holiness to flourish, a strong belief in the Body and Blood of Christ and frequent receiving of the Blessed Sacrament, or Holy Communion, are essential. This is our inheritance. God gives us the "finest wheat" on a regular, if not daily, basis. Let's seize this gift with gladness.

PRAY FOR THE SICK & SHUT-IN OF OUR PARISH - As a community of believers bound together by the Spirit of Christ, one of the most priceless and possibly least obvious gifts we can give to one another is the gift of our prayers. Would you kindly offer up a prayer for everyone on the list?
